About the Organizer	<p>Established in 1993, the International Cooperation Center (ICC) of the National Development and Reform Commission (NDRC) is a government institution directly subordinate to NDRC. Under the guidance of the thought on Socialism with Chinese Characteristics for a New Era and the correct leadership of the party committee of NDRC, ICC is willing to make efforts to implement the 2030 Agenda for Sustainable Development proposed by the United Nations and to contribute to build the community of shared future for mankind so that the platform of bilateral and multilateral cooperation and sharing China's development achievements can be set up. Based on the function of international cooperation and committed to the high-quality development, we will always adhere to the overall work of the party and the country as well as the key work of NDRC. Presently, ICC, working in with NDRC, has become the major institution which supports a series of international cooperation mechanisms in the construction of Belt and Road Initiative and international capacity cooperation and the new-type comprehensive think tank involving different fields such as policy research, international cooperation, planning consultation, high-end training, foreign affairs services, etc. ICC is a member of the joint conference on international</p>		

cooperation of NDRC as well as a member of the leader group office of promoting the construction of Belt and Road Initiative.

1、 Main functions of ICC:

-- Consultation. ICC deeply participates in the major theoretical research and top-level design for the national development and reform work and provides intellectual support for the work of the Party Central Committee, the State Council and NDRC.

-- Mechanism implementation. ICC is in charge of implementing the multilateral or bilateral negotiation and cooperation mechanism established by NDRC and foreign governments. Also, ICC is making efforts to promote the construction of Belt & Road Initiative and the connectivity of strategy and planning, mechanism, platform and project in international capacity cooperation.

-- Public diplomacy. ICC undertakes the work of organizing international exchanges between governments, institutions and enterprises, formulating cooperation plans, providing policy consulting services, conducting international training and promoting international cooperation.

-- Assisting local governments. ICC provides policy guidance, prepares developing plan and builds cooperation platform for local governments in order to help them develop higher-level open economy in the new-round reform and opening up.

-- Guiding the orientation of public opinion. On the basis of the advantages of theoretical innovation and international cooperation, ICC properly guides the orientation of public opinion and contributes to the national development and reform as well as opening up by propagating high-quality thoughts with objectivity, scientificity and predictability.

-- Providing foreign affairs services. ICC undertakes the foreign affairs work from institutions of NDRC and organizes various types of international conferences to guarantee the key work of NDRC.

ICC makes full use of the advantages of relevant departments and bureaus of the National Development and Reform Commission and the Academy of Macroeconomic Research. Over the years, a large number of experts have been gathered to make great contributions to recipient countries in terms of economic policy interpretation, planning formulation, and international cooperation. As of the end of 2019, ICC has implemented nearly 400 foreign aid training programs. It has invited more than 17,000 officials from more than 130 countries and regions. There are more than 20 themes, mainly covering the "Belt and Road" Initiative, macroeconomics, infrastructure, urbanization, China's experience sharing, public management, capacity cooperation, climate change, medium and long-term planning. Over the years, ICC has organized and implemented 41 projects under the "Belt and Road" initiative, training more

	<p>than 1000 officials from countries along the route. ICC has made great efforts to publicizing the "Belt and Road" initiative, interpreting Chinese policies and measures, sharing development experiences, and promoting people-to-people bonds in countries along the route.</p> <p>3. Overview of the executive team:</p> <p>ICC has more than 30 professional and executive staffs for foreign aid training project , who have participated in foreign aid training and related international cooperation projects for many years, including 6 members with more than 8 years of foreign aid training experience and 7 members with more than 6 years of foreign aid training experience. There are 4 members with 5 years of foreign aid training experience, and more than 13 members with 4 years or less of foreign aid training experience. Their working languages involve English, French, Spanish, and Russian. Among them, 8 people has passed the TEM-8 and 7 have returned from studying abroad with rich experience in foreign affairs and international cooperation. Meanwhile, other research teams of ICC can also participate in the work of foreign aid training projects to ensure the successful implementation of the project.</p>
<p>Introduction of the Project Content</p>	<p>Training content: Through this seminar, we are willing to share with Sri Lanka the experience and difficulties encountered in the field of international capacity cooperation under the "Belt and Road" initiative, and provide a reference for Sri Lanka to draw a new blueprint for development. ICC is willing to use our resources and experience to help Sri Lanka to improve its capacity of international capacity cooperation under the "Belt and Road" initiative, and promote practical cooperation between China and Sri Lanka under the "Belt and Road" initiative.</p> <ul style="list-style-type: none"> ➤ Common courses <ol style="list-style-type: none"> 1. Introduction of the National Conditions of China 2. Foresight of the "14th Five-Year Plan" 3. The "Belt and Road" and international cooperation ➤ Professional courses <ol style="list-style-type: none"> 1. Interpretation of the 21st Century Maritime Silk Road 2.
